Our little angel that you'll always be.

Forever in our hearts and memories.

Although our time was short our bond was still strong.

The love your father and I have for you will forever live on.

Not only is mommy and daddy sad, but your brothers and sister too.

You're watching over us when it was supposed to be us looking after you.

Mommy and daddy have keepsake jewelry where we'll keep you close to our hearts, no matter where we go we'll never be apart.

Mommy and daddy will keep your teddy bears close to us to help us get through, it will be a way we hold you even though God has you.

So rest well baby girl your memory will forever live on, our precious little angel, Baylee Reese Sloan.

Brandon and Kenyetta would like to thank everyone for their prayers and acts of kindness. Please continue to keep us in your prayers.

“ My heart is heavy with yours. I can only attempt to comfort you by letting you know that i care, But, please allow Jehovah God to comfort you as only he can, "while you throw all your anxieties upon him because he cares for you" (1 Pet. 5:7).
